If I still had the heart to love
The way i use to love him
I might still have some trace
Of my identity
If I still had just half a mind
I'd call you up and ask you
Where you left that man I use to be
Cause I miss me
I'm not the same
Just someone else using my name
I wish you'd
Come back soon
Cause I miss me
I been all up and down the roads
That lead to my old memorys
But I cant find the one
With all my hopes and dreams
And I've been looking in my eyes

For something I still recognize
Some strangers stare is all I see
I miss me
I'm not the same
Just someone else using my name
I wish you'd
Come back soon
Cause I miss me
You made me
A better man
Then I ever thought I'd be
Now that your gone
I cant move on
Cause I miss me
I'm not the same
Just someone else using my name
I wished you'd
Come home soon
Cause I miss me
I miss me
