I've Got Time
(Brad Cotter/Rick Giles/Steve Bogard)

I make 6, the rent takes 5,
It ain't high livin' but I'm alive
Mac & chesse, Natrual Light,
I don't have it all but I've got time.

To live and learn man I ain't in no hurry
The only thing I don't have time to do is worry.

I got this girl, I met last week
I've seen her twice and she's calling me
She loves to laugh and drink a little wine
I'm not married yet but I've got time.

I've got time to live and learn man I ain't in no hurry
The only thing I don't have time to do right now is
worry,
I can do whatever rolls across my mind cause I've got
time.

Mmmmm yeah,

Life is good, life is tough, it knocks you down, brings
you luck
More days and nights mmmm, i'm just fine
Anythings possible cause I've got time

To live and learn man I ain't in no hurry
The only thing I don't have time to do right now is
worry,
I can do whatever rolls across my mind
Yeah, cause I've got

Dreams to spare cause some may fail
But theres one out there bound to serve me well
The good Lord gave me the sense to realize
I've got everything, cause I've got time
Yeah I've got time
Yes I do.....ooooh yeah
Mmmmm.... There ain't no hurry

Ooooh we ain't got time to worry
Yeah I've got time
Whatever rolls across my mind
I've got time Ohhhh yeah
