My inspiration, you give me life
Our destination, you help me find
Lost innocence, world rushes by
Your touch can stop time

On the darkest night, you guide my way
From the desert sky, you bring the rain
You fill my heart in every way
You are the light and I believe
Our love is a miracle

You are temptation, I cannot hide
I feel your passion, your spirits rise
I opened up, you stepped inside
Your kiss is paradise

On the darkest night, you guide my way
From the desert sky, you bring the rain
You fill my heart in every way
You are the light and I believe
Our love is a miracle

You give me hope, you're all I know
No matter what you make me strong,
So strong

On the darkest night, you guide my way
From the desert sky, you bring the rain
You fill my heart in every way
You are the light and I believe
Our love is a miracle
...Love is a miracle
