Wait in line till your time  
Ticking clock everyone stop

Everyone's saying different things to me  
Different things to me  
Everyone's saying different things to me  
Different things to me

Do you believe in what you see  
There doesn't seem to be  
Anybody else who agrees with me

Do you believe in what you see  
Motionless wheel nothing is real  
Wasting my time in the waiting line  
Do you believe in what you see

Nine to five living lies  
Everyday stealing time

Everyone's taking everything they can  
Everything they can  
Everyone's taking everything they can  
Everything they can

Do you believe in what you feel  
It doesn't seem to be  
Anybody else who agrees with me

Do you believe in what you see  
Motionless wheel nothing is real  
Wasting my time in the waiting line  
Do you believe in what you see

And I'll shout and I'll scream  
But I'd rather not have seen  
And I'll hide away for another day

Do you believe in what you see  
Motionless wheel nothing is real  
Wasting my time in the waiting line  
Do you believe in what you see

Everyone's saying different things to me  
Different things to me  
Everyone's saying different things to me  
Different things to me

Everyone's saying different things to me  
Different things to me  
Everyone's saying different things to me  
Different things to me

Everyone's saying different things to me  
Different things to me  
Everyone's taking everything they can  
Everything they can

Everyone's taking everything they can  
Everything they can  
And everyone's saying different things to me  
Different things to me
