Song by Iron & Wine

I am thinking it's a sign  
That the freckles in our eyes  
Are mirror images and  
When we kiss they're perfectly aligned

And I have to speculate  
That God himself did make us into  
Corresponding shapes like puzzles pieces  
From the clay

True, it may seem like a stretch  
But it's thoughts like this  
That catch my troubled head  
When you're away, when I am missing you to death

When you were out there on the road  
For several weeks of shows  
And when you scan the radio  
I hope this song will guide you home

They will see us waving from such great heights  
"Come down now," they'll say  
But everything looks perfect from far away  
"Come down now," but we'll stay

I've tried my best to leave  
This all on your machine  
But the persistent beat  
Sounded thin upon listening

That frankly will not fly  
You will hear the shrillest highs  
And lowest lows with the windows down  
When this is guiding you home

They will see us waving from such great heights  
"Come down now," they'll say  
But everything looks perfect from far away  
"Come down now," but we'll say...
