Can it be

Is it so

Is there something wrong

With this sad old road

In the canyon of tears

You and I we're like weather vanes

Giving birth to the canyon rains

In the canyon of tears

Is there something in the canyon air

Makes my world fill with despair

Is there something in the canyon wind

Makes my world start closing in on me

Are there ghosts with broken hearts

Hanging around before their souls depart

In the canyon

Canyon of tears
