Yeah

Dance with me (echo) X2

It's good to see you
It's been a long time
Since I've seen your face
And girl how I've missed you
Who ever thought
I'd see you in this place

BRIDGE:

So lets take this time
To Reminise
About the way it was not how it is
I hope that your sharing this feeling
If you feel it

CHORUS:

Come on and dance with me
You use to dance with me
You use to walk to the floor hand in hand with me
There still ain't nobody
Anyone anyone anyone
Who can dance with me
The way that you dance with me

Yeah

Hold my arms around you
Forget all about your friends
Just move your feet
And so it's all about you
At least that's the way it feels inside of me

ohhhhhh

Just lose yourself Just let it go
Become that woman that I used to know

I hope that your sharing this feeling
If you feel it

CHORUS: X1

Yeah ohhh

Come dance with me X2

If you wanna feel the heat
Gotta ride with me
Gotta move your feet
And dance with me
Everything that you need
If you dance with me yeah

Let's take this time ohhhh
It feels so right
I hope that your sharing this feeling
If you feel it

CHORUS: X2 To Fade
