I told you to switch over to BBC 1  
To teach you about love and such under the sun  
All you could do was cry  
When you saw that he couldn't even sigh...

(BRIDGE)

In the first division  
There's a little boy  
In a mental prison  
With a speakin' toy

(CHORUS)

The boy is wrecked  
The boy is checked  
The boy is decked  
The boy is necked

He tries to tell you she said yes  
But all he can do is press 'let's go, oh yes'  
Pain is all around him  
And he can't even move a limb

(BRIDGE & CHORUS)

He's a little bit dumb, a little bit silly,  
A little bit messed up, a little bit accident prone,  
In fact, he's a fucking div and he's just like me!

I'M A DIV I'M A DIV I'M A DIV I'M A DIV I'M A DIV I'M A DIV
