I'm the first to complain
about the rain
'Cause i don't like it like that
but when i see the sunshine
breakin' through the clouds,
i'm lovin' the rest of the day

Come take a walk
with me
We'll take our time
as we watch our cares
float away
(ooh yeah)
This is the time when
I dont have to try
Hope this happens today
(eeh, eeh)

CHORUS

What ya gon' do about it
What ya gon' say
when i say
Baby it's just one
of those days
What ya gon' do today
You can see
that i'm smiling
Baby there's no denying
'Cause the sun is shining
What ya gon' do today
aah aah
What ya gon'
do today

Since the clouds
up above,
obstruct the sun
I'll be waiting
in doors (I'll be waiting
for you)

But when i see
the sunshine
Breaking through
the clouds,
I'm loving
the rest of the
day (yeah, yeah)

What ya gon' do about it
What ya gon' say
when i say
Baby it's just one
of those days
What ya gon' do today
You can see
that i'm smiling
Baby there's no denying
?Cause the sun is shining
What ya gon? do today
aah aah
What ya gon? do today

What ya gon? do
What ya gon? do
today (x4)

What ya gon? do about it
What ya gon? say
when i say
Baby it's just one
of those days
What ya gon? do today
You can see
that i'm smiling
Baby there's no denying
?Cause the sun is shining
What ya gon? do today
aah aah
What ya gon? do today
