I surrender  
I'm surrounded by my mind  
And as the white flag gently waves  
It spirits me away  
I raise my hands  
Because I cannot wake  
My voice  
I'm hemmed in once again  
By the sweet uncertain

In the palm of your hand  
I will not fall, can not fall once again  
In the palm of your hand  
I will not fall, cannot fall again

I surrender  
I'm outnumbered in the fight  
I myself can no longer lead the right  
I, I raise my hands  
Because I cannot wake my voice  
I'm hemmed in once again  
By the sweet uncertain

In the palm of your hand  
I will not fall, cannot fall again  
In the palm of your hand  
I will not fall, cannot fall again

Won't you come and fill this place

I surrender  
I'm surrounded by my mind  
And as the white flag gently waves  
It spirits me away
