Hey, I say what's on my mind
I have no patience or time for the lines
I've gotta quench my thirst to learn
Seek out adventure at every turn

It's okay if you don't win
The first time you try, get up again
Just use your heart and give it all you've got
Cause it's all that matters in the end

(CHORUS)

Live it up when life brings you down
Live it up cause that's all that counts
Gotta live it up, don't be a face in the crowd
Live it up as it spins around

Life is short so make it last
Leave all your cares
And worries in the past
Take time to do the simple things
Measure success with love and friends

It's your life if you don't live
There's no one to blame except yourself
Don't ever quit however bad it gets
Just reach down inside and find the strength

(CHORUS)

Spins around, spins around

It's okay if you don't win
The first time you try, get up again
Just use your heart and give it all you've got
Cause it's all that matters in the end

(CHORUS) 2X

Live it up, gotta live it up
Live it up when life brings you down
Live it up, gotta live it up
Live it up, yeah, yeah

Live it up, gotta live it up...
