I see
So much beauty
Hidden way beneath your skin
That sure ain't no sin
You say
You ain't pretty
Not in any place that counts
But I am blind to all that you doubt

It ain't perfection for which I would die
It ain't just somebody that's made me feel alive

Can't stop dreaming about this good love
Wishes come true
See heaven sent me an angel
Looking just like you do
Can't stop dreaming about this good love
Prayers get answered
Sometimes baby
You make me feel alive

You know why he wants you
But I ain't the same as him
I look a little further within
Your life has had some long night
All those tears I wipe away
Just close your eyes and hear what I say

It ain't perfection for which I would die
It ain't just somebody that's made me feel alive

Can't stop dreaming about this good love
Wishes come true
See heaven sent me an angel

Looking just like you do
Can't stop dreaming about this good love
Prayers get answered
Sometimes baby
You make me feel alive

I never thought I'd find the one

It's like a dream
Gotta get closer to you
If you know what I mean, baby
Don't be scared, I'd never hurt you
Never lie
The truth is I need you
Cause you make me feel alive

Can't stop dreaming about this good love
Wishes come true
See heaven sent me an angel
Looking just like you do
Can't stop dreaming about this good love
Prayers get answered
Sometimes baby
You make me feel alive
Can't stop dreaming about this good love
Wishes come true
See heaven sent me an angel
Looking just like you do
Can't stop dreaming about this good love
Prayers get answered
Sometimes baby
You make me feel alive
