Tear drops in my eyes
Came every day with the sunrise
It's been that way as long as you've been gone

I thought the day would start
Same as the others falling apart
I thought I barely would be hanging on

Something's changed, feel so strange
Swimming through a notion of games
Then suddenly is the sun

Maybe I had enough of you
Maybe I been tired dreaming of you
Maybe I gotta know your goodbye by now

Baby, I couldn't live without you
Now when I think about you
My eyes are dried somehow
Maybe I'm all cried out
All cried out

I don't know what it is
Why I'm not longer missing your kiss
It feels mysterious and so damn good

Something's changed, feel so strange
Swimming true a notion of games
Then suddenly is the sun

Maybe I had enough of you
Maybe I been tired dreaming of you
Maybe I gotta know your goodbye by now

Baby, I couldn't live without you
Now when I think about you
My eyes are dried somehow
Maybe I'm all cried out
All cried out

My heart has finally walked away
It's gone from the scene of the crime

It's finally found the perfect place leaving it far behind
Baby, maybe I

Maybe I had enough of you
Maybe I been tired dreaming of you
Maybe I gotta know your goodbye by now

Baby, I couldn't live without you
Now when I think about you
My eyes are dried somehow
Maybe I'm all cried out

Maybe I had enough of you
Maybe I been tired dreaming of you
Maybe I gotta know your goodbye by now

Baby, I couldn't live without you
Now when I think about you
My eyes are dried somehow
Maybe I'm all cried out

Maybe I had enough of you
Maybe I been tired dreaming of you
Maybe I gotta know your goodbye by now

Baby, I couldn't live without you
Now when I think about you
My eyes are dried somehow
Maybe I'm all cried out

Maybe I had enough of you
Maybe I
