We're frozen in this moment  
Safe inside our paper homes  
Holding on to where we  
came from  
Not too far from here at all  
We can stay so close together  
Find the strength in being one  
I feel life is so much better  
When it's Christmas and I'm home

And I wish you all you want,  
And I wish you love, I wish you merry Christmas,  
And I hope it's in love

Wish I could I'd make you happy  
Give you something you don't have  
I can change where change is needed  
Make you happy when you're sad  
We can stay so close together  
Find the strength in being one  
I feel life is so much better when it's Christmas and I'm  
home

And I wish you all you want and I wish you love I wish  
you merry Christmas and I hope that it's in love

And I wish you all you want and I wish you love I wish  
you merry Christmas and I hope that it's in love

I feel life is so much better when it's Christmas and I'm  
home
