[Incomprehensible]
We're going downtown

Is the temperature hot enough for you tonight?
Is it making your dreams suggest things you can't fight
If you call me one time, two time, anytime that you want
Got a certain sure fire remedy to get you out

So take my hand and rock with me to the sweetest
symphony
Your body pleads to feel the way it feels
Just trust me more than any heart you saw
I'll give you all the love you're waiting for

Now baby, if you dance my way downtown
Little skin of skin sure can be found
Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of sound

Now baby, if you come, come on
Come on, come on downtown
Come, come on, come on downtown

Is the temperature hot enough for you to play?
Is it making your dreams suggest things you can't say?
If you'd ask me one time, two time, anytime that you
like
Got the perfect way to alleviate your stress tonight

So take my hand and rock with me to the sweetest
symphony
Your body pleads to feel the way it feels
Just trust me more than any heart you saw
I'll give you all the love you're waiting for

Now baby, if you dance my way downtown
Little skin of skin sure can be found
Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of sound

Now baby, if you dance my way downtown
Little skin of skin sure can be found

Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of sound

Now baby, if you come, come on
Come on, come on downtown
Come, come on, come on downtown
Come, come on, come on, come on downtown
Come, come on, come on downtown

So take my hand and rock with me to the sweetest
symphony
Your body pleads to feel the way it feels
Just trust me more than any heart you saw
I'll give you all the love you're waiting for

Now baby, if you dance my way downtown
Little skin of skin sure can be found
Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of sound

Now baby, if you dance my way downtown
Little skin of skin sure can be found
Maybe you are all alone, can't do it on your own
I'll show you heaven at the speed of sound, oh, yeah
We're goin' downtown
