Verse 1:

Everybody's looking for that something  
One thing that makes it all complete  
You find it in the strangest places  
The Places you never knew it could be

Verse 2:

Some find it in the face of their children  
Some find it in their lover's eyes  
Who can deny the joy it brings  
When you've found that special thing  
You're flying without wings

Verse 3:

Some find the cheer in every morning  
Some in the solitary night  
You'll find it in the words of others  
A simple line can make you laugh or cry

Verse 4:

You'll find it in the deepest friendship  
The kind you cherish all your life  
And when you know how much that means  
You've found that special thing  
You're flying without wings

Verse 5:

So, impossible as they may seem  
You've got to fight for every dream  
Cause who's to know which one you let go  
Would have made you complete

Verse 6:

Well for Me, It's waking up beside you  
To watch the sunrise on your face  
To know that I can say I love you

In any given time or place

Verse 7:

It's little things that only I know  
Those are the things that make you mine  
And it's like flying without wings  
Cause you're my special thing  
I'm flying without wings

Verse 8:

And you're the place my life begins  
and you'll be where it ends  
I'm flying without wings  
And that's the joy you bring  
I'm flying without wings
