Uh Uh gotta get to know me (repeat x2)  
I can see you wanna take control of me  
Don't think that you play upon my vulnerability  
Think you know me now  
Think you know me  
You're gonna get to know me better  
Do you think that what you see is what you get  
Baby you don't know me  
You don't know me  
You aint seen nothing yet  
Ohhh  
You're gonna get to know me better  
Get to know me  
Hear i am, Gonna be your man, Baby Understand  
Think you know me now  
Think you know me  
You're gonna get to know me better  
Gotta get to know me  
I can see you're beautiful and everybody knows  
Something's telling me that you ain't leavin' here alone  
Think you know me now  
Get to know me  
You're gonna get to know me better  
Yeah  
Lets get this party started girl you know it's on your  
mind  
So move a little closer  
Closer, We're runnin' outta time  
You're gonna get to know me better (runnin outta time)  
Won't you come on  
Here i am, Gonna be your man, Baby understand  
Yeah  
Think you know me now  
Think you know me  
Your gonna get to know me better  
Get to know me, get to know me  
If you want it, You can have it, If you need it come and  
get it (repeat x4)  
Won't you come on  
Here i am gonna be your man baby understand yeah (  
repeat x4)  
Get to know me, Get to know me

Gotta get to know me.
