Oh It's a sweet sensation  
Your my one temptation  
i never felt before  
i feel a strong attraction  
a strange reaction  
it leaves me wanting more

I'm outta my mind  
I'm outta my head  
I'm losing my heart  
I'm easily led  
Like nothing before  
As good as it gets  
Your making me hot  
Your making me sweat

Chorus  
I've got no, no self control  
When im with you, oh  
what I'll give you baby  
I'v got no, no self control  
When im round you  
I'm losing it all for you

I'm under no illution  
I'm in such confusion  
I can't help myself  
I think i need protection  
From a deep affection  
Don't want nobody else

I'm fallin apart  
I want you to know  
The more you resist  
The deeper i go  
The longer i wait  
The weaker i get  
Your making me hot  
Your making me sweat

Chorus x2  
I've got no, no self control

When im with you, oh  
what I'll give you baby  
I've got no, no self control  
When im round you  
I'm losing my head now

Baby Baby

I'm fallin apart  
I want you to know  
The more you resist  
The deeper i go  
The longer i wait  
The weaker i get  
Your making me hot  
Your making me sweat x2

I've got no, no self control  
When im with you, oh  
what I'll give you baby  
I've got no, no self control  
When im round you  
I'm losing it all for you

I've got no, no self control  
When im with you, oh  
what I'll give you baby  
I've got no, no self control  
When im round you  
I'm losing it all for you
