Long and Winding Road
Will never disappear
I've seen that road before
It always leads me here
Leads me to your door

The wild and windy high
That rain has washed away
Has left a pool of tears
Crying for the days
Why leave me standing here?
Let me know the way

Many times I've been alone
Many times I've cried
Anyway you'll never know
The many ways of pride
And still they lead me back
To the long and winding road
You left me standing here
A long long time ago
Don't leave me waiting here
Lead me to your door

Still they lead me back
To the long and winding road
You left me standing here
A long long time ago
Don't keep me waiting here
Lead me to your door
