I'm not the guy, who cared about love
And I'm not the guy who cared about fortunes and such
Never cared much
Oh, look at you now
I never knew the technique of kissing
I never knew the thrill I could get from your touch
Never knew much
Oh, look at you now
You're a new man
Better than Casanova at his best
With a new heart, brand new style
I'm so proud I'm busting my vest
So you're the guy who turned down a lover
Yes I'm the guy, who laughed at those blue diamond
rings
Ha, what are those things?
Oh, look at you now
He's not the guy who cared about love and
He's not the guy who cared about fortunes and such
Never cared much, but look at him now
Mm, my beloved
He never knew the technique of kissing

He never knew the thrill he could get from her touch
Never knew much, but look at him now
Man, I've really come on
He's a new man
Better than Casanova at his best, right on
With a new style, a brand new heart
He's so proud he's busting his vest
So he's the guy who turned down a lover
So he's the guy who laughed at those blue diamond
rings
What are those things?
But look at me now!
He's a new man, better than
Casanova, at his best
He's got some stuff and is really fine
I'm so proud I'm busting my vest
He's a lover!
Yes, we know he's a lover, yeah!
I laughed at those blue diamond rings

Just what are those things?
But look at him now
Hey! C'mon I'm ready!
Look at him now!
