(featuring the Kumahs at no.42, the parts they say are in brackets.)

(Oh right Dad you ready?: Hold on, hold on, ? OK ready:  
Umami you ready?: Ready: Let's kick it)

When I die and they lay me to rest  
Gonna go to the place that's the best  
When I lay me down to die  
Goin' up to the spirit in the sky

Goin' up to the spirit in the sky  
That's where I'm gonna go when I die  
When I die and they lay me to rest  
Gonna go to the place that's the best

(What Wembley?: Not Wembley you idiot he means  
heaven: I thought we got reincarnated: I want to come  
back as Gareth's hair gel)

Prepare yourself you know it's a must  
Got to have a friend in Jesus (or Krishna)  
So you know that when you die  
He's gonna recommend you  
To the spirit in the sky (See it's who you know)

Goin' up to the spirit in the sky  
That's where I'm gonna go when I die  
When I die and they lay me to rest  
Gonna go to the place that's the best

(Could you be more specific?: Is it driving distance?:  
I'm going to need a comfort break: There better not be  
stairs wherever it is I: Ah shut up this is my big sitar  
solo: Sanjeev keep it down - the neighbours)

Never been a sinner I never sinned  
I got a friend in Jesus (he's so sweet)  
So you know that when I die  
He's gonna set me up with  
The spirit in the sky

Oh set me up with the spirit in the sky  
That's where I'm gonna go when I die  
When I die and they lay me to rest  
I'm gonna go to the place that's the best

Oh set me up with the spirit in the sky  
That's where I'm gonna go when I die  
When I die and they lay me to rest  
I'm gonna go to the place that's the best

Goin' on up to the spirit in the sky  
That's where I'm gonna go when I die  
When I die and they lay me to rest  
Gonna go to the place that's the best

(You already said that but where?)  
Go to the place that's the best (An address would be helpful)  
Go to the place that's the best (I don't think he knows)  
Go to the place that's the best (He keeps saying the same things)

(Well what d'ya reckon?: Is Will Young available?)
