I'm the first to complain about the rain  
'Cause I don't like it like that  
But when I see the sunshine  
Breaking through the clouds  
I'm lovin' the rest of the day

Come, take a walk with me  
We'll take our time as we  
Watch our cares float away

This is a time when I  
Don't even have to try  
Hope this happens today, yeah, yeah

Whatcha gonna do about it?  
Whatcha gonna say when I say?  
Baby, it's just one of those days  
Whatcha gonna do today?

You can see that I'm smiling  
There's no denying  
'Cos the sun is shining  
Whatcha gonna do today?  
Whatcha gonna do today?

Since the clouds up above obstruct the sun  
I'll be waiting indoors  
(I'll be waiting)  
But when I see the sunshine  
Breaking through the clouds  
I'm lovin' the rest of the day

Come, take a walk with me  
We'll take our time as we  
Watch our cares float away, yeah

This is a time when I  
Don't even have to try  
Hope this happens today

Whatcha gonna do about it?  
Whatcha gonna say when I say?

Baby, it's just one of those days  
Whatcha gonna do today?

You can see that I'm smiling  
Baby there's no denying  
'Cos the sun is shining  
Whatcha gonna do today?  
Whatcha gonna do today?

Whatcha gonna do?  
Whatcha gonna do today?  
(Whatcha gonna do?)

Whatcha gonna do?  
Whatcha gonna do today?  
(Are you gonna tell me, baby?)

Whatcha gonna do?  
Whatcha gonna do today?  
(Tell me whatcha gonna do?)  
Whatcha gonna do today?  
Whatcha gonna do today?

Whatcha gonna do about it?  
Whatcha gonna say when I say?  
Baby, it's just one of those days  
Whatcha gonna do today?

You can see that I'm smiling  
There's no denying  
'Cos the sun is shining  
Whatcha gonna do today?

Whatcha gonna do about it?  
Whatcha gonna say when I say?  
Baby, it's just one of those days  
Whatcha gonna do today?

You can see that I'm smiling  
There's no denying  
'Cos the sun is shining  
Whatcha gonna do today?

Whatcha gonna do about it?  
Whatcha gonna say when I say?  
Baby, it's just one of those days  
Whatcha gonna do today?

You can see that I'm smiling  
There's no denying  
'Cos the sun is shining
