Come on and tell me baby...

do U believe in love
the way that I do
and when u find the one
wherever u go will travel with u
what do I say
where do I start
to pick up the pieces of your broken heart
tell me one more time
why your heart cannot be mine
look into my eyes and say
that love has gone
and I'll be man enough to walk way
tell me one more time
why your dreams cannot be mine
coz I won't believe its true
until I hear it from u
do u believe in love
there's no right no wrong, no, no,
loves just an open road
with different ways of moving on
I dare u to stay
and watch me now
leaving is taking the easy way out

tell me one more time
why your heart cannot be mine
look into my eyes and say
that love has gone
and I'll be man enough to walk away
tell me one more time
why your dreams cannot be mine
coz I won't believe its true
until I hear it from you
your my life
I want you so bad
and losing U, means losing all that I had
girl this is crazy why cant U see
your the only one
that ever mattered to me
oh baby !

look into eyes
if love has truly gone
I will walk away
tell me one more time
that U cannot be mine
no, I wont believe it
until I hear it
until I hear it from you
