I wonder where you where
I wonder what your thinking about tonight
I wonder
Maybe your alone
Maybe you've been crying just like me
I wonder
I don't know why I lost your touch
Maybe I wanted to be loved too much

Too serious, too soon
I wanted you to love me
I wanted to be there for you like no one else before
Too serious, too soon
I wanted you to love me

It's been a rainy afternoon
Now I'm Staring at the moon
Thinking we got too serious, too soon

I told you every day
I told you every night in every way
I love you

Maybe you got scared
Maybe I have nothing else to say
But I love you
So baby now my life's a mess
Cause I'm
cos I couldn't love you any less

Too serious, too soon
I wanted you to love me

I wanted to be there for you like no one else before
Too serious, too soon
I wanted you to love me

It's been a rainy afternoon
Now I'm Staring at the moon
Thinking we got too serious, too soon

Too soon

It's not right
It's not fair
It's in you baby cuts like a knife
what if you were the love of my life

Too serious, too soon
I wanted you to love me
I wanted to be there for you like no one else before
Too serious, too soon
I wanted you to love me

we got too serious to soon
I wanted to be there for you like no one else before
too serious too soon
I wanted you too love me

It's been a rainy afternoon
Now I'm Staring at the moon
Thinking we got too serious, too soon
