So many times I've played around  
Moving from one to another  
I've been a fool, I've been unkind  
But being with you made me discover

That trust and honesty is all I need  
And I should never let it slip away

'Cause girl, seeing you shine by the candle-light  
Got me hooked and it feels so right  
So good that, baby, I don't want this night to be over

Stay right here, oh, please don't leave  
Let's star in our own love scene  
Then chill and spread the night  
It's too soon to say goodbye  
It's too soon to say goodbye

Darlin', I know  
You're the type who goes slow  
And trust when I say  
I don't mean to rush you

But give it some thought  
If you're all alone  
You're just gonna wish  
That I was there too

Imagine you and me  
As close as two can be  
We can let it flow for eternity, girl

Seeing you shine by the candle-light  
Got me hooked and it feels so right  
So good that, baby, I, I don't want this night to be over

Stay right here, oh, please don't leave  
Let's star in our own love scene  
Then chill and spread the night  
It's too soon to say goodbye  
It's too soon to say goodbye

Darlin', I know  
You're the type who goes slow  
And trust when I say  
Trust when I say

Seeing you shine by the candle-light  
Got me hooked and it feels so right  
So good that, baby, I don't want this night to be over

Stay right here, oh, please don't leave  
Let's star in our own love scene  
Then chill and spread the night  
It's too soon to say goodbye

Seeing you shine by the candle-light  
Got me hooked and it feels so right  
So good that, baby, I, baby, I don't want this night to be  
over

Stay right here, oh, please don't leave  
Let's star in our own love scene  
Then chill and spread the night  
It's too soon to say goodbye
