I'm coming down with a heartache tonight.
Only you can make it right
If I can't be with you, holding you tight
There won't be no morning light

Everywhere I turn I see your face
Reminding me of a higher place
Everytime you smile angels cry
Everytime you walk on by

I'm not the only feeling lonley
Everytime you walk on by
I try to say something
but end up with nothing
everytime you walk on by
everytime you walk on by

I keep my cool I pretend I'm not here
Everytime you came too near
I'm such a fool 'cause this love is
true and, if I don't tell you someone else surely will

Everywhere I turn I see your face
Reminding me of a higher place
Everytime you smile angels cry
Everytime you walk on by

I'm not the only feeling lonley
Everytime you walk on by
I try to say something
but end up with nothing
everytime you walk on by
everytime you walk on by

If I ever see you again
This craziness must find an end I look at you and I
promise myself

I'm not the only feeling lonley
Everytime you walk on by
I try to say something
but end up with nothing

everytime you walk on by
everytime you walk on by

I'm not the only feeling lonley
Everytime you walk on by
I try to say something
but end up with nothing
everytime you walk on by
everytime you walk on by
