you're amazing  
so amazing  
have I told you  
enough  
you're my angel  
guardian angel  
god knows I've been blessed with love

but if I been gone tomorrow  
would you know how deep my loves goes  
have I ever told you  
you're the one

if the words don't come my way  
hope its still love  
hope it still shows  
if the words don't come my way  
hope you still know what my heart wants to say

words so tender  
I surrender  
to this feeling  
so true  
my affirmation  
my inspiration  
darling I have been blessed with you

if the words don't come my way  
hope you still know  
hope it still shows  
if the words don't come my way  
I hope you still know what my heart wants to say  
but if I be gone tomorrow  
would you know how deep my loves goes  
if I was gone forever  
would you know how much I care

you make me feel like flying  
and failing all emotion  
that everytime you look at me  
you see it in my eyes

if the words don't come my way  
I hope you still know

if the words don't come my way  
I hope you still know  
I hope it still shows

if the words don't come my way  
I hope you still know  
what my heart wants to say

if the words don't come my way  
I hope you still know  
hope it still shows

if the worst don't come my way  
I hope you still know  
I hope it still shows  
I hope still you know  
what my heart wants to say
