Gareth Gates-What my heart wants to say

Your amazing, So amazing  
Have I told you enough  
Your my angel, god you're an angel  
god knows I, Iâ€™ve been blessed with love  
but if I be gone tomorrow  
would you know how deep my love goes  
have I ever told you, your the one

if the words donâ€™t come my way  
I hope you still know  
I hope it still shows  
if the words donâ€™t come my way  
I hope you still know  
What my heart want to say

The love so tender, I surrender  
To this feeling, So true  
I have formation, My inspiration  
Darling I, I've been blessed with you

if the words donâ€™t come my way  
I hope you still know  
I hope it still shows  
if the words donâ€™t come my way  
I hope you still know  
What my heart want to say

but if I be gone tomorrow  
would you know how deep my love goes  
if I was gone forever  
would you know how much i care cause you make me  
feel like flying  
like sailing on the ocean  
then every time you look at me  
you see it in my eyes

if the words donâ€™t come my way  
I hope you still know  
I hope it still shows

if the words don't come my way  
I hope you still know  
I hope it still shows  
if the words don't come my way  
I hope you still know  
What my heart want to say

if the words don't come my way  
I hope you still know  
I hope it still shows  
if the words don't come my way  
I hope you still know  
I hope it still shows  
I hope you still know  
What my heart want to say  
"Nooit geleerd engels te schrijven?"  
Daar zijn er schijnbaar meer van, en dan hebben ze  
ook nog geen eens spellingcontrole schijnbaar!!!
