Gareth Gates

Whenever You Call  
Stronger than I

And now that it has begun  
We cannot turn back

We can only turn into one  
I won't ever be too far away to feel you  
And I won't hesitate at all  
Whenever you call  
And I'll always remeber  
The part of you so tender  
I'll be the one to catch you fall  
Whenever you call

And I'm truly inspired  
(And I'm)  
Finding my soul  
(Finding my soul)  
There in your eyes  
(There in your eyes)  
And you  
(And you)  
Have opened my heart  
And lifted me inside  
By showing me yourself  
Undisguised

I won't ever be too far away to feel you  
And I won't hesitate at all  
Whenever you call  
And I'll always remember  
The part of you so tender  
I'll be the one to catch you fall  
Whenever you call

And I will breathe for you each day  
Comfort you through all the pain  
Gently kiss your fears away

You can turn to me and cry  
Always understand that I  
Give you all I am inside

I won't ever be too far away to feel you  
And I won't hesitate at all  
Whenever you call  
I won't ever be too far away to feel you  
And I won't hesitate at all  
Whenever you call  
And I'll always remember  
The part of you so tender  
I'll be the one to catch you fall  
Whenever you call Whenever you call Whenever you  
Call
