I need to talk with you again  
Why did you go away  
All that time together  
This feels like yesterday  
I never thought I'd see  
A single day without you  
The things we take for granted  
We can sometimes lose

And if I promise not to feel this pain  
Will I see you again?  
Will I see you again...

'Cause time will pass me by  
Maybe I'll never learn to smile  
But I know I'll make it through  
If you wait for me  
And all the tears I cry  
No matter how I try  
They'll never bring you home to me  
Won't you wait for me  
In heaven...

Do you remember how it was  
When we never seemed to care  
Days went by so quickly  
'Cause I thought you'd always be there  
And it's hard to let you go  
Though I know that I must try  
I feel like I've been cheated  
'Cause we never said goodbye

And if I promise not to feel this pain  
Will I see you again?  
Will I see you again...

'Cause time will pass me by  
Maybe I'll never learn to smile  
But I know I'll make it through  
If you wait for me (Won't you wait for me)  
And all the tears I cry  
No matter how I try

They'll never bring you home to me  
Won't you wait for me  
In heaven...

'Cause I miss you so  
And I need to know  
Will you wait for me?

'Cause time will pass me by  
Maybe I'll never learn to smile  
But I know I'll make it through  
If you wait for me (Say you'll wait for me)  
And all the tears I cry (all the tears I cry)  
No matter how I try (how I try)  
They'll never bring you home to me  
Won't you wait for me

'Cause time will pass me by  
Maybe I'll never learn to smile  
But I know I'll make it through  
If you wait for me...
