I bruise you, you bruise me
We both bruise too easily
Too easily to let it show
I love you and that's all I know

All my plans have fallen through
All my plans depend on you
Depend on you to help them grow
I love you and that's all I know

When the singer's gone
Let the song
Go.....

But the ending always comes at last
Endings always come too fast
They come too fast
But the past too slow
I love you and that's all I know

When the singer's gone
Let the song go on
It's a fine line between the darkness
And the dawn
They say in the darkest night
There's a light beyond

But the ending always comes at last
Endings always come too fast
They come too fast
But the past too slow
I love you and that's all I know
That's all I know
That's all I know
