I guess I've known you for awhile
but ever since i can remember, I've been leaning in
your direction,
but I've never crossed that line
afraid of what might be the answer, could have missed
my chance,
cause maybe its been way to long,
and i think this may come out wrong,
but i cant do this friend thing anymore,
cause now i have nothing at all left to give you,
except for my love love baby,
and now all i want is to have some of your love love
baby.
some your love, love baby yeah yeah(3)
i love the inside of your house,
and all the things we talk about,
but when you joke around,
i get caught up in the things you say to me, yeah every
time,
cause I've been waiting to long and i think this may
come out wrong
but i wont do this friend thing anymore
cause now i have nothing left to give you,
except for my love love baby
and now all i want is to have some of your love love
baby, yeah yeah.
some of your love, love baby yeah yeah(2)
some of your love, oh some of your love
some of your love love baby, yeah yeah yeah yeah

and if there's still some work
oh at least i tried
but if what im saying sounds like an ultimatum i
apologize
but i just want to know if you'll be mine (if you'll be
mine)
and ill find out one way or another (one way or another)
but i don't mean to come on through
but I think you'd be better off with me, hey
so what do we got to lose?
bout time we use the time we got
cause i can t get by without your love

oh some of your love
some of your love love baby
some of your love oh some of your love
oh some of your love love baby, yeah yeah
