Cry, cry baby
Cry baby
Cry baby
Welcome back home

Now he told you that he loved you much more than I
But he left you and you don't, you just don't know why
And when you don't know what to do
You come runnin' and start to

Cry, cry baby
Cry baby
Cry baby
Like you always do

Don't you know, nobody can love you the way I do
Take the pain and the heartache too
Ah, honey you know I be around
When you need me, so go on and

Cry, cry baby
Cry baby
Cry baby
Welcome back home

I've spent so many nights, just waiting for you to come
Walkin' through that door
And even though you've made a fool of me
So many times before

I know that all it takes is just the sight of your face
To make me realize that I'll always love you, darlin'
And I can see that you got some more tears to shed
I can see it baby, because your eyes, your eyes are
getting red

So, come on, come on, come one, come on, come on
Go on and cry, cry baby
Cry baby
Cry baby
Cry baby
