Come to Me  
Come along, pretty baby  
Come along  
Come along, darling

Come to me, be mine, lady  
I'll show you things you've never seen, oh, baby  
Come to me, girl, can't you see  
I want you for my beauty queen, yeah

Girl, won't you be mine  
Till the end of time  
Only promise you won't let me down  
And I'll make you wear a crown, ooh, baby

Come to me, be mine, lady  
I'll show you things you've never seen, oh, baby  
Come to me, girl, can't you see  
I want you for my beauty queen, yeah

You set my soul on fire  
I never felt this way for another  
And so I want you for myself  
After you there'll be no one else, ooh, baby  
Come to me, be mine, lady  
I'll show you things you've never seen, ooh, darlin'  
Come to me, girl, can't you see  
I want you for my beauty queen

You are so true, pretty baby  
I love the things you say and do  
You treat others so kind  
And baby, that's a wonderful sign, yeah, ooh

Come to me, be mine, lady  
I'll show you things you've never seen, oh, baby  
Come to me, girl, can't you see  
I want you for my beauty queen, yeah, whoa, whoa,  
whoa

Come to me, be mine, lady  
I'll show you things you've never seen, mmm

Come to me, girl, can't you see  
I want you for my beauty queen

Girl, won't you be mine
