Let Jah be praised
While I pray for my blessings to rise
Listen

Dem belly full but they're starving
Have a lot and still wanting
Jah, without You we're empty
Fill us up with Your mercy

Dem belly full but they're starving
Have a lot and still wanting
Jah, without You we're empty
Fill us up with Your mercy

Man shall not live
By bread alone and I know
But by the words
That proceeded from Jah, Jah

Man shall not live
By bread alone and I know
But by the words
That proceeded from Jah, Jah

Dem belly full but they're starving
Have a lot and still wanting
Jah, without You we're empty
Fill us up with Your mercy

Never leave us alone
Can't You see the way is dark
And we can't make it on our own?

I'm kind of happy but till morning
They're looking on but not seeing
They're born with sight and lacking vision
Oh Lord, I pray for their salvation

Belly full but they're starving
Have a lot and still wanting
Jah, without You we're empty
Fill us up with Your mercy

Belly full but they're starving
Have a lot and still wanting
Jah, without You we're empty
Fill us up with Your mercy

Can't you see it's Jah we need?
And without Him we can't succeed
He's my friend in times of need
Thank you, Jah 'cause You revealed

Dem belly full but they're starving
Have a lot and still wanting
Jah, without You we're empty
Fill us up with Your mercy

Belly full but they're starving
Have a lot and still wanting
Jah, without You we're empty
Fill us up with Your mercy, please

Listen, man shall not live
By bread alone, I know
But by the words
That proceeded from Jah, Jah

Man shall not live
By bread alone, no
But by the words
That proceeded from Jah, Jah

Belly full but they're starving
Have a lot and still wanting
Jah, without You we're empty
Fill us up with Your mercy
Belly full but they're starving
