Baby, don't worry
Don't worry, oh, no, no, no

Oh me, oh my
Pretty baby, don't be shy
Oh me, oh my
I'm gonna tell you why

Oh me, oh my
Pretty baby, don't be shy
Oh me, oh my
I'm gonna tell you why

You're so attractive
Why are you behaving like this
As if you've got doubts inside
Baby, there's no reason to hide

Oh me, oh my
Pretty baby, don't be shy
Oh me, oh my
I'm gonna tell you why

Oh me, oh my
Pretty baby, don't be shy
Oh me, oh my
I'm gonna tell you why

Not only good looking
You'd like to taste so fine cuisine
For you they'd make vacancy
Baby, you've got you Ph.D.

Oh me, oh my
Pretty baby, don't be shy
Oh me, oh my
I'm gonna tell you why

Oh me, oh my
Pretty baby, don't be shy
Oh me, oh my

I'm gonna tell you why

Mmm... yeah

Ah... ah... ah...

Ooh... ooh... baby

Baby, you've got class

You're boss

You know how to treat a man

Don't change your thing

Darling, I'm so proud of you

Your examples are so true

Oh me, oh my

Pretty baby, don't be shy

Oh me, oh my

I'm gonna tell you why

Oh me, oh my

Pretty baby, don't be shy

Oh me, oh my

I'm gonna tell you why

You're so attractive

Why are you behaving like this

As if you've got doubts inside

Baby, there's no reason to hide

Oh me, oh my

Pretty baby, don't be shy

Oh me, oh my

I'm gonna tell you why

Oh me, oh my

Pretty baby, don't be shy

Oh me, oh my

I'm gonna tell you why

Not only good looking

You'd like to taste so fine cuisine

For you they'd make vacancy

Baby, you've got you Ph.D.

Oh me, oh my

Pretty baby, don't be shy

Oh me, oh my

I'm gonna tell you why
