Everybody needs somebody
Everybody needs somebody to love, someone to love
Sweetheart to miss, sugar to kiss
I need you you you, I need you you you
I need you you you, I need you you you
In the morning when my soul's on fire
Sometimes I feel, I feel a little sad inside
When my baby mistreats me
I never never never have a place to hide
I need you, I need you, I need you, I need you.

I need you you you, I need you you you.

I need you you you, I need you you you, I need you.

Well, I feel alright, I feel alright, alright.

You know you make me wanna shout, kick my heels up and shout

Throw my hands up and shout, throw my head back and shout

Come on now, shout, don't forget to say you will

Don't forget to say yeah yeah yeah

(Say you will) Say it right now (Say you will) Say it right now

(Say you will) Say it right now, shout shout, got to shout it out

You know you make me wanna shout

You know you make me wanna shout

You know you make me wanna shout

You know you make me wanna shout

You know you make me wanna shout, kick my heels up and shout

Throw my hands up and shout, throw my head back and shout

Come on now, shout, don't forget to say you will

Shout, shout, shout, shout, shout, shout, shout...

Yeah yeah, yeah yeah, yeah yeah, yeah yeah...

Gotta shout it now...

Whoa ! I feel good, I knew that I would, now

I feel good, I knew that I would, now, so good, so good, I got you.

Whoa ! I feel nice, like sugar and spice

I feel nice, like sugar and spice, so nice, so nice, I got you.

So good, so good, I got you, so good, so good, I got you.

So good, so good, I got you, so good, so good, I got

you.
So good, so good, I got you, hey !

Merci pour tout !
