(Adam Clayton/David Evans/Paul Hewson/Larry Mullen Jr.)

All is quiet on New Year's Day, a world in white gets underway.
I want to be with you, be with you night and day.
Nothing changes on a New Year's Day, hmm, on a New Year's Day.

I will be with you again, I will be with you again.

Under a blood red sky, a crowd has gathered in black and white.
Arms entwined, the chosen few, the newspapers says, says

Say it's true, it's true... And we can break through.
Though torn in two, we can be one.
I, I will begin again, I, I will begin again.

(Guitare solo)

Oh, maybe the time is right, oh, maybe tonight.
I will be with you again, I will be with you again.

And so we're told this is the golden age
And gold is the reason for the wars we wage
Though I want to be with you, be with you night and day
Nothing changes on a New Year's Day, hmm, on a New Year's Day.
Nothing changes.
