It took me such a long time to believe
That things are not the way they seem to be.
It's hard to know what's really going on,
And you don't know what you've got till it's gone.
There's more to this than can be seen,
But what does it really mean?
(Chorus) You better learn to use it or you'll lose it,
It don't get any better.
You better learn to use it or you'll lose it,
It don't get any better.
A situation that could soon arise,
Is out to cloud the vision in your eyes.
How do you expect to ever see,
If you can't see the forest for the trees?
There's more to this than can be seen,
But what does it really mean?
(Chorus)
I don't pretend to think I know
The answer to the question of,
Why does there never seem to be enough?
It don't get any better...
