It's nothing they say
She bangs away
How long will she play
And push us away
We have no idea
Of her secret
Suffering so we
Have no idea
Of all the things she needs
Should've been clearer
Should've been clearer
Should've been clearer
"It's such a shame"
I know that's what everybodys saying
They suppose she's to blame
For all the abuse she's been taking
While waiting alone

She's just a child at the station
They miss her at home
There must be some explanation
'cause it should've clearer
It should've been clearer
It should've been clearer
Oh yeah
Should've been clearer
It should've been clearer
It should've been clearer
