Behold the hit music revolution
Non-stop, completely commercial free
Behold the hit music revolution
Lucky you, lucky me

Knucklehead, knucklehead
Oh, you act like such a creep
But you make me want to rock
Yeah, you make me want to sing

Uphold the new faker institution
Handpick your trick from the factory
Uphold the new faker institution
Yeah, lucky you, hey lucky me

Knucklehead, knucklehead
Oh, you act like such a creep
But you make me want to rock
Yeah, you make me want to sing

Knucklehead, knucklehead
Yeah, you're backwards underneath
But you make me want to rock
Yeah, you make me want to sing

She's nice and ripe at seventeen
He's all washed up at twenty-three
Welcome to our tragedy

Knucklehead, knucklehead
Oh, you act like such a creep
But you make me want to rock
Yeah, you make me want to sing

Knucklehead, knucklehead
Oh, you're backwards underneath
Oh but you make me want to rock
Yeah, you make me want to sing

Behold the hit music revolution
Behold the hit music revolution
Behold the hit music revolution

Behold the hit music revolution, revolution
