For once in my life I have someone who needs me,
Someone I needed so long
For once unafraid I can go where love leads me,
Somehow I know I'll be strong
For once I can touch what my heart used to dream of
Long before I knew (long before I knew)
Someone warm like you
You make my dreams come true
For once in my life I won't let sorrow hurt me
Not like it's hurt me before (not like it's hurt before)
For once I have someone I know want deserve me
I'm not alone anymore
For once I can say this is my new? ticket
As long as I know I have love I can make it

For once in my life I have someone who needs me (someone who needs me),
For once in my life (someone who needs me)
For once in my life
For once in my life I won't let sorrow hurt me

[For Once in My Life lyrics on]
