When the rain is blowing in your face  
And the whole world is on your case  
I could offer you a warm embrace  
To make you feel my love

When evening shadows and the stars appear  
And there is no one to dry your tears  
I could hold you for a million years  
To make you feel my love

I know you haven't made your mind up yet  
And I would never do you wrong  
I've known it from the moment that we met  
There's no doubt in my mind where you belong

I'd go hungry, I'd go black and blue  
I'd go crawling down the avenue  
There ain't nothing that I wouldn't do  
To make you feel my love

The storms are raging on a rolling sea  
And on the highway of regret  
The winds of change are blowing wild and free  
You ain't seen nothin' like me yet

There and nothin' that I wouldn't do  
Go to the ends of the earth for you  
Make you happy make your dreams come true  
To make you feel my love
