O little town of Bethlehem  
How still we see thee lie  
Above thy deep and dreamless sleep  
The silent stars go by

Yet in they dark streets shineth  
The everlasting light  
The hopes and fears of all the years  
Are met in thee tonight

Oh holy child of Bethlehem  
Descend to us we pray  
Cast out our sins and enter in  
Be born to us today

O morning starts together  
Proclaim thy holy birth  
And praises sing to God the King  
And peace to men on earth

O hear thy sacred angels  
As faith holds wide the door  
Then darkness wakes, the glory breaks  
As Christmas comes once more
