There's a ship out on the ocean,  
At the mercy of the sea.  
It's been tossed about, lost and broken  
Wondering aimlessly.  
And God somehow you know that ship is me.

Cause there's a lighthouse in the harbor  
Shining faithfully.  
Pouring it's light out across the water  
For this sinking soul to see  
That someone out there still believes in me.

Chorus:  
On a prayer, in a song, I hear your voice, and it keeps  
me hanging on, on.  
Raining down, against the wind,

[On a Prayer lyrics on ]  
I'm reaching out till we reach the circle's end, when you  
come back to me again.

There's a moment that we all come to  
In our own time, and our own space where all that  
we've done we can undo  
If our heart's in the right place  
(repeat chorus)

And again I see my yesterdays in front of me.  
Unfolding like a mystery  
You're changing all that is and use to be

(repeat chorus)  
When you come back to me,  
Again.
