One hand  
Reaches out  
And pulls a lost soul from harm  
While a thousand more go unspoken for  
They say what good have you done  
By saving just this one  
It's like whispering a prayer  
In the fury of a storm

And I hear them saying you'll never change things  
And no matter what you do it's still the same thing  
But it's not the world that I am changing  
I do this so this world will know  
That it will not change me

This heart  
Still believes  
The love and mercy still exist  
While all the hatred rage and so many say  
That love is all but pointless in madness such as this  
It's like trying to stop a fire  
With the moisture from a kiss

And I hear them saying you'll never change things  
And no matter what you do it's still the same thing  
But it's not the world that I am changing  
I do this so this world will know  
That it will not change me

As long as one heart still holds on  
Then hope is never really gone

I hear them saying you'll never change things  
And no matter what you do it's still the same thing  
But it's not the world that I am changing  
I do this so this world we know  
Never changes me

What I do is so  
This world will know  
That it will not change me
