I was feelin' the blues, I was watching the news  
When this fella came on the TV  
He said, "I'm tellin' you that science has proven  
That heartaches are healed by the sea"

That got me goin' without even knowin'  
I packed right up and drove down  
Now, I'm on a roll and I swear to my soul  
Tonight I'm gonna paint this town

So bring me two pina coladas, one for each hand  
Let's set sail with Captain Morgan and never leave dry  
land  
Troubles I forgot 'em, I buried 'em in the sand, so bring  
me  
Two pina coladas, she said goodbye to her good timin'  
man

Oh, now I've gotta say that the wind and the waves  
And the moon winkin' down at me  
Eases my mind by leavin' behind  
The heartaches that love often brings

Now, I've got a smile that goes on for miles  
With no inclination to roam  
I've gotta say that I think I've gotta stay  
'Cause this is feelin' more and more like home

So bring me two pina coladas, one for each hand  
Let's set sail with Captain Morgan and never leave dry  
land  
Troubles I forgot 'em, I buried 'em in the sand, so bring  
me  
Two pina coladas, she said goodbye to her good timin'  
man
