Johnny grew up
On the dark side of the law
Living in the shadow
Of the light he never saw

And Rosie came around
In the way that good love does
Just when you're looking elsewhere
For the thing that never was

Whoa, wild as the wind
Wild as the wind is
Wild as the wind is love

Yeah, yeah, yeah, wild as the wind
Wild as the wind is
Wild as the wind is love

So they teamed up
And they traveled on their way
Looking for forever
Forever yesterday

She brings him hope
In the way that angels do
Taking him to heaven
In ways he never knew

Oh, wild as the wind
Wild as the wind is
Wild as the wind is love

Yeah, yeah, yeah, wild as the wind
Wild as the wind is
Wild as the wind is love
Wild as the wind

Every so often he gets
A stray look in his eyes
She knows how to hold him
Without ever asking why

Wild as the wind
Wild as the wind is
Wild as the wind is love

Wild as the wind
Wild as the wind is
Wild as the wind is love
(Yeah)

Wild as the wind
Wild as the wind is
Wild as the wind is love
(Hey, yeah)

Wild as the wind
Wild as the wind is
Wild as the wind is love
(Oh, wild as the wind is love)

Wild as the wind
Wild as the wind is love
