How do I love you
Well let me see
I love you like a lyric loves a melody
Baby, completely
Wrapped up in you.

How do I need you
Well can't you tell
I need you like a penny needs a wishing well
Baby, completely
Wrapped up in you.

Every now and then
When the world that we're livin' in's crazy
You gladly hold me and carry me through
No one in the world's ever done what you did for me
And I'd be sad and lonely
If there were no yooooou.

How do I love you
Well count the ways
There ain't no number high enough to end this phrase
Baby, completely
Wrapped up in you.

Bah bah bah bah baaah baah baah bah bah bah bah
bah
Baaaaah bah bah baaah baah baah bah bah bah bah
bah

Every now and then
When the world that we're livin' in's crazy
You gladly hold me and carry me through
No one in the world's ever done what ya did for me
And I would be sad and lonely
If there were no yooooou.

How do I love you
Well don't you know
I love you 'bout as deep as any love can grow
Baby, completely

Wrapped up in you.

Baby, completely
Wrapped up in you
