I've come to see it's a pattern with me
To make a fast getaway
Everytime I get a little too near to love
Somebody gets too close
The next thing I know
I'm up and gone again
Chasin' the wind and the distant stars above

Ah girl
But I don't know what's been goin' on
Since the night we met
All I know is
I ain't runnin' yet

Girl I can see when you look at me
You're lookin' for a sign
That somewhere in this heart of mine there's a place
for you
But I want you to know
When those feelings show
That's what chases me away
But tonight I just gotta stay and see this through

Ah girl
But I don't know what's been goin' on
Since the night we met
All I know is
I ain't runnin' yet

I ain't runnin' away from the love I see so deep in your
eyes
I ain't runnin' away and I can't even say just why
Oh I don't know what's been going on since the night
we met
All I know is I ain't runnin' yet

I ain't runnin' away from the love I see so deep in your
eyes
I ain't runnin' away and I can't even say just why
Oh I don't know what's been going on since the night
we met

All I know is I ain't runnin' yet

Girl I don't know what's been goin' on
Since the night we met
All I know is
I ain't runnin' yet
